

QUESTO È IL VINO ROSSO DEL 2018

RED WINE

13.50% ALCOHOL

5.000 BOTTLES PRODUCED
FROM THE 2018 HARVEST.

A simple red wine, made from a blend of Barbera, Syrah and others grapes, which varies from year to year and aspires to be pleasantly drinkable. Sold in litre bottles with a screw top. Natural and unpretentious.

The grapes are vinified separately and fermented in steel vats with indigenous yeasts. The wine is then aged in large 50hl barrels for a period that varies from year to year, following no fixed rules.
