

**QUESTO È IL
VINO ROSSO DEL 2019
RED WINE**

13.50% ALCOHOL

5.000 BOTTLES PRODUCED
FROM THE 2019 HARVEST.

A simple red wine, made from a blend of Barbera, Syrah and Pinot Nero, which varies from year to year and aspires to be pleasantly drinkable. Sold in litre bottles with a screw top. Natural and unpretentious.

The grapes are vinified separately and fermented in steel vats with indigenous yeasts. The wine is then aged in large 30hl barrels for a period that varies from year to year, following no fixed rules.

Due to the complex legal and bureaucratic system of the country we live in, we cannot reveal the grapes that contribute to the production of this wine. If you want more information [click here](#)
